1. (Internal Use Only - JGO) [REDACTED] ORR, in a conversation with Mr. Leon Herman of the Library of Congress who is a consultant to the Joint Economic Committee, received an informal request from Mr. Herman for advice as to whether the Director or some other senior Agency official might be willing to testify before the Committee as was done by Mr. Dulles in 1960. In keeping with General Carter's letter of 24 July indicating that the Agency desires that no attribution be provided with regard to the various studies furnished the Committee for this hearing, [REDACTED] will confirm today his preliminary advice given Mr. Herman that the Agency did not desire appearance before the Committee.

2. (Unclassified - JGO) Advised by William McManus, Senate Internal Security Subcommittee staff, that he had received confirmation for television coverage by CBS and NBC and that ABC confirmation is expected during the afternoon. USIA had also confirmed the fact that they will be covering the hearings.
